Policies & Procedures

Board Election Policies & Procedures

5. ELECTION OF CONTRACTOR DIRECTORS BY DIVISION, ASSOCIATE DIRECTORS, AND APPOINTED CONSTRUCTION LEADERSHIP COUNCIL REPRESENTATIVE.

- (a) The Board of Directors shall consist of: Twenty Four (24) elected and up to six (6) appointed Contractor members; six (6) elected and up to (3) appointed Associate members, and one (1) appointed Construction Leadership Council member. This body should be comprised of three (3) members representing the Highway-Utility Division; three (3) members representing the Building Division; three (3) members representing the Heavy-Industrial Division; three (3) members representing the Specialty Division; and finally twelve (12) members representing the Membership-at-Large. After twelve (12) years of elective or appointed service on the Board of Directors, a Contractor or an Associate representative shall become Life Director without further action.
 - (1) In the event any division has less than twelve (12) Contractor members that division will have only two (2) representatives on the Board of Directors and the remainder of the Board will be nominated from the Membership-at- Large in order to reach the number of twenty-four (24). In the event any Division Membership has less than nine (9) Contractor members, that division will have only one (1) representative on the Board of Directors, serving a one-year term, and the remainder of the Board will be nominated from the Membership-at-Large in order to reach the number of twenty-four (24).
 - (2) In preparing its list of nominees, the Nominating Committee will prepare separate lists for the purpose of creating and maintaining the required balance on the Board of (a) Building Contractors, (b) Highway-Utility Contractors, (c) Heavy Industrial Contractors, and (d) Specialty Contractors.
 - (3) To assure an equal balance is maintained on the Board of Directors, the President may decide, as the presiding officer, to conduct four (4) separate elections, one in each of the above classifications, or in lieu thereof, those receiving the highest number of votes in each of the four classifications shall be considered elected as Directors.
- (b) Five (5) Associate members will be elected to the Board of Directors serving one (1) year terms. Every odd year six (6) Associate Members will be elected to the Board of Directors. Those six (6) Associate Directors will elect one of themselves to serve a two (2) year term on the E-Board. The other five (5) Associate Director Members will serve a one year term on the Board of Directors. Associate Directors shall be elected by the Associate Members by mail and/or email ballot and will be announced at the Annual Meeting. Associate Directors shall be elected by the Associate members by mail and/or email ballot and announced at the Annual Meeting. In case of a tie, the winner shall be selected by a member of the current Executive Board flipping a coin. Staff shall witness the coin toss.

- (c) The President may appoint one (1) member of the Construction Leadership Council to represent them on the Board of Directors. The Construction Leadership Council representative will serve a one (1) year term. The Construction Leadership Council representative shall have a voice but no vote.
- (d) Procedures for Electing Directors
 - (1) Adjourn the Board Meeting and call the General Membership Meeting to order.
 - (a) The President shall turn the meeting over to the Internal Affairs Chair to conduct the elections.
 - (2) The Associate Board Members were previously elected by mailed ballot. The Internal Affairs Chair will announce the results.
 - (3) Conduct the Election of Contractor Board Members. Associate members do not vote for Contractor Board Members. The Internal Affairs Chair will appoint associate members present and staff to assist in conducting the elections. The individual with the most votes is elected for a two year term. All other elected board members will serve a one year term. In case of a tie a runoff election will be held. In case of a second tie the run off will be determined by coin toss.
 - (a) Open nominations from the floor for the Building Division Directors. Close the nominations and vote for the Building Division Directors. Announce the results to the audience.
 - (b) Open nominations from the floor for the Highway/Utilities Division Directors. Close the nominations and vote for the Highway/Utilities Division Directors. Announce the results to the audience.

Board of Directors Nomination Resume

Fall 2023

Name	Scott Vierra
Title	Business Development
Organization	North Star Equipment Services
Year started with your organization	2014
Your organization has been an AGC member since:	1949
Are you a current AGC Board Member?	Yes
How many years served on AGC's Board of Directors?	Serving on the Board of Directors for the past five years has been a privilege.
Types of work your organization is involved in:	With eight offices in Alaska, five of them provide barge services. In addition, we have over 30 cranes providing crane rental services. We also have pile-driving machines and large-diameter drill rigs. Furthermore, we support large-scale projects such as the Missel Field on Ft Greely, Power Plants, Refineries, Bridges, etc.
Personal work experience:	I have been in the construction side of Business Development and Equipment Sales for over (30) years supporting the construction industry. In addition, I have (7) years' experience as a general contractor building single and multi-family homes. My interest in AGC and the construction business is growing exceptionally every year.
Other construction industry activities:	know my way around the construction industry, from the bid and chase opportunities to ensuring our equipment is a significant part of many projects throughout Alaska. I know my way around project sites from being a part of many projects over a few decades. From the large scale, Clear AFS LRDR, F-35 buildout on Eielson, and Missile Fields on Ft Greely setting SIV's & SILOS and pulling and placing missiles regularly. I can operate a variety of construction equipment. Probably not well enough to get paid as a qualified operator. LOL. However, I enjoy every opportunity I get to improve my operating equipment skills. It has been a privilege to serve on AGC's Board of Directors for the past few years. I also serve on the Board of Directors' Nominating Committee and co-chair our membership committee, which I have served on since 2015. I was on our technology committee when it was active for approximately two years. I am here to help AGC grow in every way possible by providing support where I can to help ensure AGC Alaska will meet and exceed our goals. I genuinely love being a part of the AGC Alaska Team. Moreover, spending time with the phenomenal AGC members, Board of Directors and the people in our Construction Industry has been a real privilege! Thank you for considering me to serve on the Board of Directors. Sincerely, Scott Vierra
