How has the nominee contributed to AGC's efforts in advancing legislation and regulatory initiatives	I have written letters to State Senators and House of Representatives and Congressional Delegation on important issues that AGC requests call to action on. One in particular was the PLAs on USACE projects. I wrote a detailed letter explaining why that program reduces competition on USACE projects.
How does the nominee financially support AGC and PAC at the national and state level?	Other than dues, sponsorships of events - Mat Su event was the most recent, Annual Conference sponsorships, PAC Ticket sales. We also have done some work on AGC's Anchorage building at no charge to help with some of the plumbing issues there.
How does the nominee highlight their AGC affiliation and refer new membership?	I and KLEBS are proud AGC members. We encourage and push our employees to attend and get involved in AGC events and committees. We are always looking for AGC members to subcontract work to, and do business with. We believe in furthering AGC's philosophies in all we do as a company. When we use non AGC member companies, we try to discuss the benefits of joining AGC and invite them to events.
Additional comments for the committee to consider about the nominee.	KLEBS is one of the few active mechanical contractor members involved and present in AGC activities, events, and committees. We are very proud of that and want to continue strong representation on the Board. I personally have volunteered previously in organizations such as this - closest one being ABC. I rotated through the committees there including training, membership, workforce development, and the Board. I was Board Chairman in 2007. Thank you for your consideration.
